Reports (Profiles)

Your child will receive **two Profiles per academic year** in which academic, instrumental and pastoral staff will give feedback on your child's progress in the preceding term(s). All year groups receive a profile at the end of the autumn term; Y10, Y11 and Y12 receive their second profile at the end of the spring term; Y4 to Y10 students receive their second profile at the summer term.

All your child's profiles can be viewed through the Reports section of the Parents' Gateway. They are arranged in date order with the most recent shown first.

You can choose to **download Profiles to your own PC or to print them**. Move your mouse over the top of the document and a **toolbar** will appear giving you various options.

Examinations

This section contains all the Public examination (GCSE and A level) results your child has received whilst a student at Chetham's. It will also allow you to see upcoming exams that your child has been entered for.

Please note the exam results screen shows all the unit scores for each subject as well as the final certificated grade ('Cert' in the Status column). For this reason you may find it useful to sort the information either by clicking on the Exam or Status column headings.
